**Approval of Minutes**

1. Approval of January 19, 2017 Regular Meeting Minutes  
*Wansley requested that a correction to the minutes be made regarding the number of decals issued. As of January 19, 2017, there were 167 resident and 137 non-resident decals issued. Long made a motion to approve the January 19, 2017 Regular Meeting Minutes as amended. Wilson seconded. The motion passed unanimously.*

**Presentation**

1. Cochran Mill Bridge – Bob Shelor  
*Wilson introduced Bob Shelor, who has been helping with the RTP Grant application for the Cochran Mill Park bridge. Mr. Shelor said the Request for Proposals (RFP) for the archeological study was sent out last week to four qualified companies. The RFP is due March 17<sup>th</sup>. The scope of the study has been scaled down to only the area of the construction of the bridge and components. The goal of the project is to provide an all-weather passage over Little Bear Creek. Other options were explored, including repairing the existing bridge, other locations along the creek, and other types of bridges. The proposed project is to repair the foundations of the existing bridge and insert the prefab bridge into the existing bridge. Also proposed are handicapped parking spaces, a barrier-free access to the bridge, and a ¾ mile barrier free trail.*
