

Rico Crossroads Community

Planning Meeting
March 15, 6:00 pm
City Hall

What is your vision for Rico? Do you see an active crossroads community, with historic buildings preserved alongside smaller commercial or civic development? Or is the ideal Rico perfect just as it is today?

The City is hosting a meeting to discuss the future of the Rico Crossroad Community as part of its Comprehensive Plan update. Citizen input is vital. If there is no support, the process will end. If there is support, the local neighborhood residents will have future meetings to plan for the community character they desire.

Please come to learn about the process, explore the possibilities, and express your views.

All Meetings are Public
