Sign Repair and Maintenance

- 

Vehicle repair and Maintenance

- New Holland side arm tractor repaired and back in service

Storm water Repair and Maintenance

- 

Trash pickup on roads

- >Wilkerson Mill, S.F. Pkwy

We have spread grass seed and hay at the cross roads at Rico and S F PKWY trying to get growth on the bare spots where vehicles pull off the road and have torn up the shoulder of the road. So if you notice cones placed in this area that is the reason they are there.
