Chiefly Speaking ...

We are engaged daily in a variety of actions including emergency medical response, fire services, event planning, City development, disaster management and general operations. Constant attention is given to improving every facet of services to support citizen needs.

Here are some critical indicators related to EMS:

(JUNE 2021: time expressed as average in minutes)

- **CHFD unit(s) on-scene: 28:53**
- **Grady response to scene: 16:02**

Fulton Commissioners were recently asked by the seven Fire Chiefs of south Fulton to consider how the County can better support emergency medical services. Reinstatement of funding for ambulance services and compensation from the transport provider for materials used by Fire departments are among the primary objectives.

Reminders ...
