3. Destination Marketing Organization – Councilmember Foster
4. Community Outreach Events
5. Watkins Log Cabin/Historic Properties – Councilmember Searle

Mayor and Council Comments and Updates

Historic Commission Requests to City Council

1. The Historic Commission respectfully requests information from the City on any additional city owned properties that were considered for the location of the cell tower, other than Cochran Mill Park.
2. The Historic Commission respectfully requests information from the City on any type of consideration given to camouflage of the proposed tower, such as treatment that would result in a structure more compatible with its surroundings.
3. The Historic Commission would like to recommend, that should an adverse impact be identified to the historic sites within Cochran Mill Park, consideration would be given to having the tower company pay for the design and installation of the recommended interpretive signage finalized in the interpretive plan for Cochran Mill Park that is being completed as a condition of the mitigation for the RTP grant.
4. The Historic Commission respectfully requests that annual lease fees collected by the City of Chattahoochee Hills from the tower company be allocated for use exclusively by the Historic Commission and Parks Commission so as to undertake projects and/ or improvements recommended jointly by both bodies to the Mayor and Council for their approval.
